#### *Hilarious comedy outlines the excesses of America's favorite diva, Barbra Streisand*

**WHO:** Central Ohio actor Andrew Levitt, better known as drag performer Nina West, will star in the CATCO production of the hilarious comedy, *Buyer & Cellar* May 27-June 14. Levitt, no stranger to the stage, has performed as Nina West for the past 15 years, performing throughout Columbus and nationwide with his unique humor, creativity and drag performance. The 2001 graduate of Denison University with a bachelor's degree in theatre has helped to raise more than \$700,000 for local and national charities. Levitt said he is excited to perform in a completely different way, "revealing more of the man behind the makeup." [www.superdragqueen.com](http://www.superdragqueen.com)

**WHAT:** *Buyer & Cellar*, written by Jonathan Tolins and fresh from off Broadway, outlines the excesses of America's favorite diva, Barbra Streisand, as documented in her recent coffee table book, *My Passion for Design*. It's true ... Barbra collected so many objects she didn't know what to do with them. So she created a special mall under her house, and was so pleased with herself that she created her book. Tolins' wrote his comedy about an imaginary salesperson for this shopping mall created for Babs' eyes only.
